

24.06.2024	Kit Components
Product code	Description
389	Immunoglobuline M / Immunoglobulins M B78182266
Components:	
282214	Tampone Plasma Proteine Bulk
19	Varius Antiserum to Human Proteins
282032	PBS pH 7,5 Bulk

Page 1/7

Safety data sheet

according to Regulation (EC) No 1907/2006, Article 31 including amending Regulation *EU/2020/878*

Printing date 24.06.2024 Version number 1 Revision: 24.06.2024

	.1 Diagnostic Reagent
I	rade name: Tampone Plasma Proteine Bulk
• 1 a R U	Article number: 282214 2 Relevant identified uses of the substance or mixture and uses advised against Relevant Identified Uses: For laboratory use only Uses advised against: Uses other than those recommended application of the substance / the mixture Diagnostic reagent
	.3 Details of the supplier of the safety data sheet
	Nanufacturer/Supplier:
	<i>'ia Po 26-28, Loc. Pian dei Mori</i>
-	XAP: 53018 - SOVICILLE - (SI)
_	TALY
	Turther information obtainable from: Product safety department. .4 Emergency telephone number: +39 0577 390 444 / 445
Ē	lazards identification
_	.1 Classification of the substance or mixture
	lassification according to Regulation (EC) No 1272/2008
	The product is not classified, according to the CLP regulation.
_	2.2 Label elements
	abelling according to Regulation (EC) No 1272/2008 Void Mazard pictograms Void
	lignal word Void
	Mazard statements Void
	2.3 Other hazards
H	esults of PBT and vPvB assessment
H 2 R	
H 2 R P	PBT: Not applicable. PVB: Not applicable.

- Description: Mixture of substances listed below with nonhazardous additions.
- · Dangerous components: Void

(Contd. on page 2) IE

Printing date 24.06.2024 Version number 1

Revision: 24.06.2024

Trade name: Tampone Plasma Proteine Bulk

• Additional information:

(Contd. of page 1)

For the wording of the listed hazard phrases refer to section 16.

4 First aid measures

- · 4.1 Description of first aid measures
- · General information: No special measures required.
- After inhalation:
- Supply fresh air; consult doctor in case of complaints.
- After skin contact: Generally the product does not irritate the skin.
- After eye contact:
- Rinse opened eye for several minutes under running water.
- · After swallowing: If symptoms persist consult doctor.
- 4.2 Most important symptoms and effects, both acute and delayed No further relevant information available.
- \cdot 4.3 Indication of any immediate medical attention and special treatment needed

No further relevant information available.

5 Firefighting measures

- · 5.1 Extinguishing media
- Suitable extinguishing agents:
- Use fire extinguishing methods suitable to surrounding conditions.
- \cdot 5.2 Special hazards arising from the substance or mixture
- No further relevant information available.
- · 5.3 Advice for firefighters
- · Protective equipment: No special measures required.

6 Accidental release measures

- 6.1 Personal precautions, protective equipment and emergency procedures Not required.
- 6.2 Environmental precautions: Dilute with plenty of water. Do not allow to enter sewers/ surface or ground water.
- 6.3 Methods and material for containment and cleaning up: Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
- 6.4 Reference to other sections
 See Section 7 for information on safe handling.
 See Section 8 for information on personal protection equipment.
 See Section 13 for disposal information.

7 Handling and storage

- · 7.1 Precautions for safe handling No special measures required.
- Information about fire and explosion protection: No special measures required.
- · 7.2 Conditions for safe storage, including any incompatibilities
- Storage:
- Requirements to be met by storerooms and receptacles: No special requirements.

(Contd. on page 3)

Printing date 24.06.2024 Version number 1 Revision: 24.06.2024

Trade name: Tampone Plasma Proteine Bulk

- (Contd. of page 2)
- · Information about storage in one common storage facility: Not required.
- · Further information about storage conditions: None.
- · 7.3 Specific end use(s) No further relevant information available.

8 Exposure controls/personal protection

•	8.1 Control parameters
•	Ingredients with limit values that require monitoring at the workplace:
	The product does not contain any relevant quantities of materials with
	critical values that have to be monitored at the workplace.
•	Additional information:
	The lists valid during the making were used as basis.
	8.2 Exposure controls
	Appropriate engineering controls No further data; see section 7.
	Individual protection measures, such as personal protective equipment
•	General protective and hygienic measures:
	The usual precautionary measures are to be adhered to when handling
	chemicals.
	Respiratory protection: Not required.
•	Hand protection
	The glove material has to be impermeable and resistant to the product/
	the substance/ the preparation. Due to missing tests no recommendation to the glove material can be
	given for the product/ the preparation/ the chemical mixture.
	Selection of the glove material on consideration of the penetration
	times, rates of diffusion and the degradation
	Material of gloves
	The selection of the suitable gloves does not only depend on the
	material, but also on further marks of quality and varies from
	manufacturer to manufacturer. As the product is a preparation of
	several substances, the resistance of the glove material can not be
	calculated in advance and has therefore to be checked prior to the
	application.
•	Penetration time of glove material
	The exact break through time has to be found out by the manufacturer of
	the protective gloves and has to be observed.
•	Eye/face protection Goggles recommended during refilling
9	Physical and chemical properties
	9.1 Information on basic physical and chemical properties
	General Information
	Physical state Fluid
	Colour: Colourless
	Odour: Odourless
	Odour threshold: Not determined.
•	Melting point/freezing point: Undetermined.

- Melting point/freezing point:
- · Boiling point or initial boiling point and boiling range
- · Flammability
- · Lower and upper explosion limit
- · Lower:
- Upper:

(Contd. on page 4)

Trade name: Tampone Plasma Proteine Bulk

· Desensitised explosives

10 Stability and reactivity

- · 10.1 Reactivity No further relevant information available.
- · 10.2 Chemical stability
- \cdot Thermal decomposition / conditions to be avoided:
- No decomposition if used according to specifications.
- · 10.3 Possibility of hazardous reactions No dangerous reactions known.
- 10.4 Conditions to avoid No further relevant information available.
- \cdot 10.5 Incompatible materials: No further relevant information available.

Void

· 10.6 Hazardous decomposition products:

No dangerous decomposition products known.

11 Toxicological information

\cdot 11.1 Information on hazard classes as defined in Regula	ation (EC) No
1272/2008	
· Acute toxicity	
Based on available data, the classification criteria ar	ce not met.
· Skin corrosion/irritation	
Based on available data, the classification criteria ar	re not met.
• Serious eye damage/irritation	
Based on available data, the classification criteria ar	re not met.
 Respiratory or skin sensitisation 	
Based on available data, the classification criteria ar	re not met.
· Germ cell mutagenicity	
Based on available data, the classification criteria ar	ce not met.
· Carcinogenicity	
Based on available data, the classification criteria ar	ce not met.
· Reproductive toxicity	
Based on available data, the classification criteria ar	ce not met.
· STOT-single exposure	
Based on available data, the classification criteria ar	ce not met.
· STOT-repeated exposure	
Based on available data, the classification criteria ar	ce not met.
· Aspiration hazard	
Based on available data, the classification criteria ar	re not met.
• 11.2 Information on other hazards	
Endocrine disrupting properties	
The product contains substances, which affect the thyro	oid system and
other hormonal systems.	
None of the ingredients is listed.	

12 Ecological information

- · 12.1 Toxicity
- · Aquatic toxicity: No further relevant information available.
- · 12.2 Persistence and degradability
- No further relevant information available.
- · 12.3 Bioaccumulative potential
- No further relevant information available.
- 12.4 Mobility in soil No further relevant information available.

(Contd. on page 6)

Printing date 24.06.2024 Version number 1

Trade name: Tampone Plasma Proteine Bulk

(Contd. of page 5)
12.5 Results of PBT and vPvB assessment
PBT: Not applicable.
vPvB: Not applicable.
12.6 Endocrine disrupting properties The product does not contain substances with endocrine disrupting properties.
12.7 Other adverse effects
Additional ecological information:
General notes: Water hazard class 1 (German Regulation) (Self-assessment): slightly hazardous for water Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

13 Disposal considerations

- · 13.1 Waste treatment methods
- Recommendation Smaller quantities can be disposed of with household waste.
- · Uncleaned packaging:
- **Recommendation:** Disposal must be made according to official regulations.
- Recommended cleansing agents: Water, if necessary together with cleansing agents.

· 14.1 UN number or ID number · ADR, IMDG, IATA	not regulated
· 14.2 UN proper shipping name	
ADR, IMDG, IATA	not regulated

15 Regulatory information

 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture

· Directive 2012/18/EU

· Named dangerous substances - ANNEX I None of the ingredients is listed.

 DIRECTIVE 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment - Annex II

- None of the ingredients is listed.
- · REGULATION (EU) 2019/1148
- Annex I RESTRICTED EXPLOSIVES PRECURSORS (Upper limit value for the purpose of licensing under Article 5(3))

None of the ingredients is listed.

· Annex II - REPORTABLE EXPLOSIVES PRECURSORS

None of the ingredients is listed.

· Regulation (EC) No 273/2004 on drug precursors

None of the ingredients is listed.

- Regulation (EC) No 111/2005 laying down rules for the monitoring of trade between the Community and third countries in drug precursors None of the ingredients is listed.
- · 15.2 Chemical safety assessment:
 - A Chemical Safety Assessment has not been carried out.

16 Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. This Safety Data Sheets is in compliance with Regulation (EC) No 1907/2006, Article 31 as amended by Regulation (EU) 2020/878.

Revision: 24.06.2024

1 Identification of the substance/mixture and of the company/ undertaking

- · 1.1 Diagnostic Reagent
- Trade name: Varius Antiserum to Human Proteins
 1.2 Relevant identified uses of the substance or mixture and uses advised against Relevant Identified Uses: For laboratory use only Uses advised against: Uses other than those recommended
 Application of the substance / the mixture Diagnostic reagent
- 1.3 Details of the supplier of the safety data sheet
 Manufacturer/Supplier: Sclavo Diagnostics International Via Po 26-28, Loc. Pian dei Mori
 - CAP: 53018 SOVICILLE (SI) ITALY
- · Further information obtainable from: Product safety department.
- · 1.4 Emergency telephone number: +39 0577 390 444 / 445

2 Hazards identification

- · 2.1 Classification of the substance or mixture
- · Classification according to Regulation (EC) No 1272/2008
- The substance is not classified, according to the CLP regulation.
- · 2.2 Label elements
- · Labelling according to Regulation (EC) No 1272/2008 Void
- · Hazard pictograms Void
- Signal word Void
- · Hazard statements Void
- \cdot 2.3 Other hazards
- · Results of PBT and vPvB assessment
- **PBT:** Not applicable.
- · vPvB: Not applicable.

3 Composition/information on ingredients

- · 3.1 Substances
- CAS No. Description Polyclonal goat antiserum

4 First aid measures

- · 4.1 Description of first aid measures
- · General information: No special measures required.

(Contd. on page 2)

IE -

Printing date 24.06.2024 Version number 1

Revision: 24.06.2024

Trade name: Varius Antiserum to Human Proteins

(Contd. of page 1)

- After inhalation:
- Supply fresh air; consult doctor in case of complaints.
- After skin contact: Generally the product does not irritate the skin. • After eye contact:

Rinse opened eye for several minutes under running water.

- · After swallowing: If symptoms persist consult doctor.
- **4.2 Most important symptoms and effects, both acute and delayed** No further relevant information available.
- \cdot 4.3 Indication of any immediate medical attention and special treatment needed

No further relevant information available.

5 Firefighting measures

• 5.1 Extinguishing media

- Suitable extinguishing agents:
 - Use fire extinguishing methods suitable to surrounding conditions.
- · 5.2 Special hazards arising from the substance or mixture
- No further relevant information available.
- · 5.3 Advice for firefighters
- · Protective equipment: No special measures required.

6 Accidental release measures

- 6.1 Personal precautions, protective equipment and emergency procedures Not required.
- 6.2 Environmental precautions: Dilute with plenty of water.

Do not allow to enter sewers/ surface or ground water.

- 6.3 Methods and material for containment and cleaning up: Absorb with liquid-binding material (sand, diatomite, acid binders, universal binders, sawdust).
- 6.4 Reference to other sections
 See Section 7 for information on safe handling.
 See Section 8 for information on personal protection equipment.
 See Section 13 for disposal information.

7 Handling and storage

- · 7.1 Precautions for safe handling No special measures required.
- Information about fire and explosion protection: No special measures required.
- · 7.2 Conditions for safe storage, including any incompatibilities
- · Storage:
- · Requirements to be met by storerooms and receptacles:
- No special requirements.
- · Information about storage in one common storage facility: Not required.
- · Further information about storage conditions: None.
- · 7.3 Specific end use(s) No further relevant information available.

	The product contains substances, which affect the thyroid system and
	other hormonal systems.
	None of the ingredients is listed.

12 Ecological information

•	12.1 Toxicity
•	Aquatic toxicity: No further relevant information available.
•	12.2 Persistence and degradability
	No further relevant information available.
•	12.3 Bioaccumulative potential
	No further relevant information available.
•	12.4 Mobility in soil No further relevant information available.
•	12.5 Results of PBT and vPvB assessment
•	PBT: Not applicable.
•	vPvB: Not applicable.
•	12.6 Endocrine disrupting properties
	The product does not contain substances with endocrine disrupting
	properties.

Printing date 24.06.2024 Versic

Version number 1

(Contd. of page 5)

Trade name: PBS pH 7,5 Bulk

- · 12.7 Other adverse effects
- · Additional ecological information:
- · General notes: Not hazardous for water.

13 Disposal considerations

- · 13.1 Waste treatment methods
- · Recommendation

Smaller quantities can be disposed of with household waste.

- Uncleaned packaging:
- Recommendation: Disposal must be made according to official regulations.
 Recommended cleansing agents:
 - Water, if necessary together with cleansing agents.

14 Transport information

 14.1 UN number or ID number 	
· ADR, IMDG, IATA	not regulated
\cdot 14.2 UN proper shipping name	
· ADR, IMDG, IATA	not regulated
 14.3 Transport hazard class(es) 	
· ADR, ADN, IMDG, IATA	
· Class	not regulated
· 14.4 Packing group	
2 2 2	, , , ,
· ADR, IMDG, IATA	not regulated
· 14.5 Environmental hazards:	Not applicable.
	nee appricatio.
\cdot 14.6 Special precautions for user	Not applicable.
· 14.7 Maritime transport in bulk	
according to IMO instruments	Not applicable.
······································	
• UN "Model Regulation":	not regulated

15 Regulatory information

- 15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture
- · Directive 2012/18/EU

· Named dangerous substances - ANNEX I Substance is not listed.

 DIRECTIVE 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment - Annex II

None of the ingredients is listed.

- · REGULATION (EU) 2019/1148
- Annex I RESTRICTED EXPLOSIVES PRECURSORS (Upper limit value for the purpose of licensing under Article 5(3))
- None of the ingredients is listed.
